

Get paid in minutes with Express Pay

Offered by

, powered by Denim.

We're offering Express Pay to help you get paid faster and keep your business running strong.

Once your load is approved, money goes straight to your bank account in about five minutes, anytime you need it — no cutoffs, no waiting. It's an easy way to stay fueled, cover expenses, and focus on what's next.

Why use Express Pay?

Fast cash flow

Cover fuel, repairs, payroll, and other expenses immediately.

No waiting

Money goes straight to your bank account for immediate use.

Your choice

Use it when you need it, skip it when you don't.

What does it cost?

+ \$5 transaction fee

Questions?

Talk to your broker or reach out to Denim Support at support@denim.com.

How it works

1

Check bank

If your bank is RTP-enabled, you'll see the Express Payments option in your Denim app.

2

Pick loads

Select which loads to Express Pay, or set it as your default for all.

3

Get paid

Money lands in your account in minutes.
